ABOUT INDIAN ACADEMIC RESEARCHERS' ASSOCIATION (IARA)

Social Empowerment of Local People Trust (SELP Trust) is a non-profit social organization established in 2008 and registered under the Trust Act (Reg. No: 1617/ 2008). The main aim of the Trust is to promote the downtrodden and empower them in social, economical, and political aspects through academic and research activities. In order to help the research scholars and teachers of various levels, the trust has been publishing a quarterly journal entitled Selp **Journal of Social Science** (ISSN 0975-9999) since 2009 and also trust has published more than 20 books on various titles with ISBN. Now the trust has proposed to an International journal under the title **The Research Explorer** from January 2012 onwards.

In its pursuit of academic exploration of the Selp Trust, has planned to found an association in the name of **Indian Academic Researchers' Association**. IARA is a national, professional, non-pro

The main objectives of the IARA

- ❖ To develop and promote academic research activities in social sciences;
- ❖ To institute various awards such as Life-Time Achievement Award, Best Faculty Award, Excellence Award and Social Scientist Award,
- ❖ To provide a forum for discussion of problems related to social science research;
- ❖ To conduct workshops, seminars, conferences etc. in the field of social sciences
- ❖ To publish journals, monographs and other types of literature on social sciences
- ❖ To foster "excellence" in various fields of social sciences

Benefits of an IARA Member

S/he is proud of being a Member of a National Professional Organization. Members joining the IARA will be issued Fellow Membership Diploma [F.I.A.R.A]. IARA member will get preference to publish his/her articles in Selp journal of Social Science, The Research Explorer and other edited volume published by Selp publications.
